Pursuant to 807 KAR 5:056, Section 1(11), the Public Service Commission ("Commission") issued an Order on May 27, 1988 requiring Grayson Rural Electric Cooperative Corporation ("Grayson") to notify its customers of a hearing to be held on July 28, 1988. Grayson was not required to appear at the scheduled hearing unless an appearance was requested by the Attorney General's Utility and Rate Intervention Division or other interested parties, or by the Commission on its own motion.

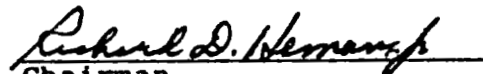

Following proper notice, no party of record requested Grayson to appear at the hearing scheduled for July 28, 1988. Furthermore, Grayson filed an affidavit stating its compliance with the provisions of the Fuel Adjustment Clause as prescribed in 807 KAR 5:056. It has also filed its monthly fuel charges for the 6-month period under review.

After reviewing Grayson's monthly fuel clause filings for the 6-month period under review, the Commission is of the opinion that Grayson has complied with the provisions of 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits billed by Grayson through the fuel adjustment clause for the period November 1, 1987 through April 30, 1988 be and they hereby are approved.

Done at Frankfort, Kentucky, this 1st day of September, 1988.
